Mercer County ESC Preschool Application (for Celina, Coldwater, Marion Local and St. Henry Centers) Our Program—Serving Children with Disabilities and Typical Children ages 3-5

We offer a program for preschool students that consist of four $\frac{1}{2}$ days a week, Monday-Thursday. This is a preschool special education program that serves children ages 3-5 that have been identified as needing special education services. We also accept a certain number of typical developing students on a tuition basis. All typical children will need to be potty trained.

Preschool Application

Applications are accepted for typical developing students on a first come, first served basis as spaces are available. Applications for the upcoming school year will be accepted from January 1st through Labor Day (or until slots fill up).

Our preschool starts on the Tuesday after Labor Day and runs until the third week of May. The complete preschool calendar with dates for holidays, breaks, and professional developments days for teachers will be handed out at the open house before school starts.

Preschool Tuition

Tuition for preschool is \$120 a month with a non-refundable \$25 fee due with the application. Your payment for the first and last month are due by September 1st. Monthly payments are due on the 1st of the month.

On the 15th of the month a \$25 late fee will be applied to your account if the tuition payment has not been received. If payment has not been made by the 25th a notice of default will be given and your child may lose his/her spot in the center. Delinquent accounts will be turned over to a collections company.

If payment is made for the whole year there is a 3% discount.
